mainlinehealth.org

December 20, 2021

*We want to make you aware of a temporary inconvenience that will lead to a long-term enhancement at Riddle Hospital. Due to construction efforts related to Riddle's Modernization project, **the hospital's main entrance will relocate to a temporary entrance at Health Center 1 starting Monday, January 10, 2022.***

### Directions on entering the campus:

- Visitors and patients please use the **WEST** Entrance (across from McDonald's).
- Hospital discharges will occur at the temporary main hospital entrance at Health Center 1.
- The surface lot next to the West Garage is for **Emergency Department visitors and patients only.**
  - The ED entrance will not be affected by this change.

### Directions on parking:

- **Visitors and patients are asked to use the South Garage, enter through Health Center 3 and follow signs to their destination.**
- Garage parking rate is a \$3.00 flat rate, free parking for veterans, discounted parking for seniors or handicapped individuals available through garage cashier.
- Valet services are available at Health Center 1 and Health Center 3 for a \$5.00 flat rate.
- Use the West Garage for Health Center 4.
- Use the South Garage for all other destinations.

Shuttle service around Riddle campus is also available for patients and visitors, Monday-Friday: 8:00 am-4:30 pm. If you are interested in using our services, please call 484.227.5104.

A map is attached that highlights the main entrance relocation impact and new traffic patterns. Enhanced wayfinding and designated signage will be installed and posted around campus to help direct visitors to their destinations.

**If you have any questions regarding directions or parking, please contact Public Safety at 484.227.8429.**

Investing in the infrastructure of Riddle Hospital is an important way in which we can better meet the needs of the community and continue to offer the highest quality, compassionate, human care.

Thank you for your patience as we work toward improving our campus environment for our patients to provide you with an exceptional experience.
